We look forward to you celebrating with us at the Memphis Urban League's Inaugural Jazz Brunch!

This year's celebration features a *Smooth Jazz Brunch with a Touch of Swing*... featuring soprano saxophonist and composer... *Marion Meadows and the Black Pearl Band*. Also performing ...violinist *John Eze Uzodinma II* and flutist *Darryl Evans Jones*... and more!

This celebration comprises live jazz, a delectable brunch, complete with an array of decadent desserts, refreshing beverages and an elegantly exciting time to be had by all. This is our time to highlight the pivotal work of the Memphis Urban League, and our mission of *Empowerment* for the underserved and economically disadvantaged, to expand economic opportunities and secure equality, power, and civil rights.

This festive event will afford us the opportunity to acknowledge the Memphis Urban League's donors, supporters, and volunteers, who by their generosity, have provided support and sustainability to our vital programming.

As a valuable *Inaugural Jazz Brunch* sponsor/partner, you will be joining a distinguished group of corporations, civic groups, organizations, foundations, and individuals whose support enables us to provide the critical work of **Empowering Communities and Changing Lives**. The Memphis Urban League stands ready...offering the opportunity to serve and empower.
