

# Memphis Urban League History

Greetings:

The Memphis Urban League (MUL) Board of Directors and Golf Tournament committee appreciate the generosity of our sponsors, players and contributors to our Golf Tournament and Women' Golf Clinic.

The Memphis Urban League envisions a city where all people are empowered toward self-sufficiency and share in the city's prosperity and well-being. Our Mission is to assist African Americans, the underserved and economically disadvantaged to expand economic opportunities and secure equality, power, and civil rights. You can help by making a monthly donation. Your donation helps fund our programming for the under-served and economically disadvantaged.

The Memphis Urban League has served thousands of youth, senior citizens and those in underserved communities through job training, career counseling, entrepreneurship, financial literacy, scholarships and mentoring.

The proceeds from our Golf Tournament and Women' Golf Clinic will support our Workforce and Economic Development and Education and Youth Development programs.
